TIKI BAR TIMES

MAY 2026

FROM THE PRESIDENT'S PERCH

Greetings Phuncoasters,

Welcome to May! We had a busy April with our HUGE Phlocking at Hammock Grille by JT's, our social at Terranova's, a Pop Up Social at Golden Lion with Walt Kulwicki, and the 2026 Parrot Head Rendezvous in Panama City Beach. The club won some First Place prizes - Jello Shots Contest (\$100 for Club!) and Pirate Costume Contest (\$60 to the Pirate Lady). Our auctioned "dolphin" box brought in \$330 for the Gulf Coast Children's Advocacy Center. Parrot Head Rendezvous is a great opportunity to meet, party and learn from other club members from all across the country. We'd love to see more members there next year - April 15 to 17, 2027 Panama City Beach!

Back here at home, we hope some were able to attend the Palm Coast Songwriters Festival and other local events with many of our favorite musicians. Flagler Beach has the best!

The Board appreciates the feedback we are receiving from our rapidly growing membership. It's important we continue to hear from you. It's YOUR Club! We've got a busy few weeks and months coming up and some different events, so rest up Phlock! We will continue to take orders for the new shirt options at all Phlockings, so get your orders in or reach out to me to place your order or check status of your order.

PHINS UP!! and Happy Mother's Day!

Shawn

PHLOCK TALK!

The Phuncoast Parrothead Club would like to congratulate Connie Shaffer for being named Disaster Volunteer of the Year by Flagler County Volunteer Services. Connie has provided incredible support to Flagler County citizens and their families over the past year, and we are so proud of her! *Partying with a Purpose!*

Thanks to all club members who donated items for the JOLLY MON Trunk, with a special thanks to **Sharon and David Sejda** who generously donated some personal items. In addition to other items, their donation included a painting done by one of the dolphins, Roxy, born at Marineland, which included her "signature" and bio. (The trunk was part of the BIGGER Online Auction and received a bid for \$330 which went to the Gulf Coast Children's Advocacy Center, Panama City Beach.)

Sharon and Dave contacted Marineland's Manager, **Felicia Cook**, who donated as well. Felicia is a Parrot Head. We are hoping she joins our club. Marineland is now a 501c3 organization, so we hope to return the favor and help them out if they ever need us.

The Phuncoast Parrothead Club would like to wish **Jamie Bourdeau** at Beach Front Grille well as he steps away from Beach Front Grille after 12 successful years. We will still see him at Loopers and Landing Strip! Congratulations on a great run!!

Local Volunteer Opportunities:

Flagler Volunteer Services

This agency works directly with local nonprofits, government agencies, health care organizations, and other volunteer organizations in our community. Our Club works closely with many of these same volunteer organizations such as *Flagler Humane Society* and *Grace Community Food Pantry*. Often there are local events and programs that need volunteers from the community, and **Flagler Volunteer Services** requests assistance from the community. If you wish to volunteer at any event sponsored by **Flagler Volunteer Services**, please visit: <http://www.flaglervolunteer.org>

Marineland Dolphin Adventure and Marineland Right Whale Project

The **Marineland Dolphin Adventure**, which has been around for about 80 years, is a historic landmark that has evolved from an underwater film studio into a modern facility focused on conservation and guest experiences.

The **Marineland Right Whale Project** is committed to the protection of endangered North Atlantic Right Whale. For information about volunteering with either, please visit:

[Marineland Dolphin Adventure](#) - or - <http://www.marinelandrightwhale.org>

Flagler Turtle Patrol/Adopt a Turtle Nest Program

Palm Coast Parrot Head Club

Flagler Turtle Patrol is a local nonprofit organization supported by dedicated volunteers and committed to safeguarding and preserving Florida's nesting turtles. Our Club annually adopts a turtle nest, and we are invited to be on hand when the baby turtles are about to hatch. We will alert the Club when that will happen. Nesting season is May 1 to October 1. To inquire about volunteering with the Flagler Turtle Patrol, please visit: <http://www.flagerturtlepatrol.com>

Flagler Humane Society

The Club has long been a supporter of the non-profit **Flagler Humane Society**. We collect nonperishable food and other pet related items every other month at our Monthly Phlockings. For those who want to do more, the Flagler Humane Society has many volunteer opportunities which include dog walking and fostering among other possibilities. Volunteers are welcome to apply to be a volunteer. If you decide to volunteer, please let us know as we will include those volunteer hours in our Party with a Purpose reports we must submit! (and wear your shirt!)

Grace Community Food Pantry

The Club has long been a supporter of the **Grace Community Food Pantry**, a faith-based organization with support from various local churches, alongside government agencies, community groups, local businesses and individual contributors. Our Club collects nonperishable food items every other month at our Phlockings and delivers these goods to the Pantry. Grace Community Food Pantry has various volunteer opportunities including weekly food distribution, stocking inventory, as well as other options, and always welcomes volunteers to help. **Debbie Lashinsky** (our Board Secretary) volunteers at Grace Community Food Pantry regularly and can assist anyone in our club who wants to volunteer. You can contact her at dglashinsky@gmail.com for more information. If you decide to volunteer, please wear your Club Shirt, if possible, and let us know so we can include your volunteer hours for our Party with a Purpose Report. www.gracecommunityfoodpantry.org
