President's Perch

Parrotheads...

Many events were scheduled last month and there are many more events are added to the schedule. So, keep reading the *"Tiki Bar Times"* for all the details.

It's been a great February with events. Two Club Members at last Sunday's Phlocking stepped up and filled the Board of Directors position of Communication Director and Chair of Road Clean up.

Barbara Gangemi is appointed to the Board of Directors and will fill the position of Communication Director. She will conclude Mary Anne Moore's term, which ends December 2025. She will then be on the Ballot for that position. March will be a transition period for Barbara and hopefully will produce the April edition of the *"Tiki Bar Times"*.

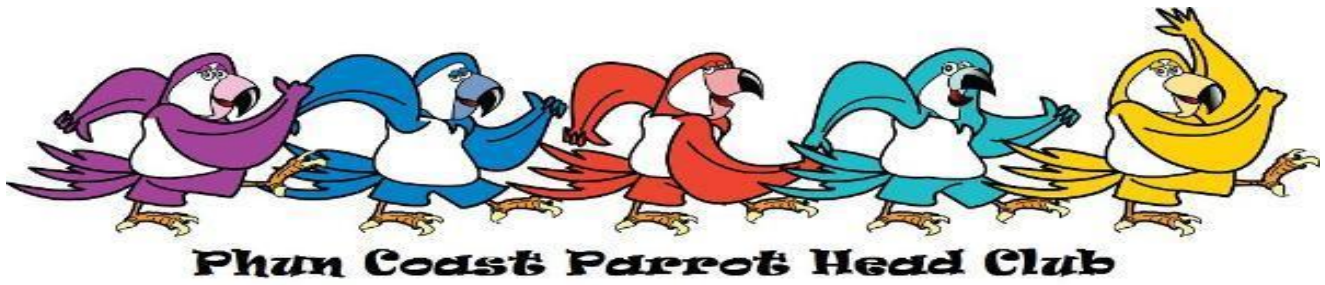

Many thanks to Mary Anne Moore as Communication Director for the past several years and producing an award winning Newsletter. Mary Anne and husband Steve are sailing the world but will remain as Club Members.

Captain Rob Plympton will be the new Chair for *"Road Clean Ups"*. He takes over from Steve Hobbs who has served The Club for many years. Steve and Debbie are planning many travel trips in the future and will not be able to continue.

Unfortunately, they are not renewing their Membership and will be missed.

Phins Up!
