TIKI BAR TIMES

APRIL 2026

FROM THE PRESIDENT'S PERCH

Hello and Happy Spring to all!

Well, March sure had a LOT of activities. We want to provide club members with options from which they can choose as we continue our mission to Party with a Purpose. We had a great road clean up, and our club was acknowledged by the **A1A Scenic and Historic Coastal Byway Association** for this activity! Thank you to all the volunteers who showed up. We had a fun time dancing to Don Middlebrook and to Southern Chaos - it was great to see many club members at both events as well as at our monthly Phlocking.

Congratulations to those new members who were sworn in as Official Parrot Heads!

Good News! Our membership is growing. Some folks are hearing about our club through social media, and we appreciate those who are on social media sharing some of our phun activities so others might consider joining the phlock! Not only will we continue to grow in membership, but we will have more members to show our community what an excellent Parrot Head Club is all about...giving back to our community while having some phun!

Finally, for those interested in the new T-shirt option, the design has been tweaked to better incorporate some of the landmarks that make the Phuncoast unique. I hope some of you got to see the new design at our Phlocking. We will continue to have information about ordering and having them available to members at our Phlockings and in other ways very soon.

PHINS UP Everyone!!

Shawn

PHLOCK TALK!

Getting to Know You Survey

Recently club members received an optional **Phuncoast Parrot Head Survey** to help us get to know our members better. We hope to utilize that information to hone our club's direction, recruit volunteers for various events, improve club engagement and better serve our club and our community in general.

Thank you to all who have responded **so far!** Your responses, which will be shared at some point with the club, are invaluable. We have a unique membership, and it is our desire to maintain an active, engaged Parrot Head community by soliciting our members' input. For example, we have already learned that several members belong or belonged to other Parrot Head Clubs across the country. Their experiences could help to make our club even better and stronger. A club is only as strong as its members!

Please consider responding to the survey that was emailed to you on **March 15**. There are various ways to return the completed survey listed in the email, including giving it to any board member at our April 11 Phlocking. Extra copies will be distributed at the Phlocking just in case you forget yours. **The deadline is April 15.**

We will be conducting other optional member surveys throughout the year. We hope you will help us by providing whatever input you would like to share.

Thank you!

VOLUNTEER!

The Board has recently emphasized the need for volunteers as we want to ensure that we have a cadre of members we can call on for upcoming events and activities. We want to thank those of you who always step forward and those of you who have recently expressed an interest. **If you or someone you know in the club would like to be part of our Volunteer Phlock, please let us know!**

You can contact Moya at cabo2@aol.com or by text at 301-651-8568

Other Local Volunteer Opportunities:

Flagler Volunteer Services

Many of our club members are familiar with **Flagler Volunteer Services**. This agency works directly with local nonprofits, government agencies, health care organizations, and other volunteer organizations in our community. Our Club works closely with many of these same volunteer organizations such as *Flagler Humane Society* and *Grace Community Food Pantry*. Often there are local events and programs that need volunteers from the community, and Flagler Volunteer Services requests assistance from the community. For example, on April 4, **Flagler Volunteer Services and Flagler Cares**, have requested help at the **2nd Annual Italian American Festival**, to be held at the Flagler Fairgrounds and several club members have stepped forward to help. If you wish to volunteer at any event sponsored by Flagler Volunteer Services, please visit: <http://www.flaglervolunteer.org>

Marineland Dolphin Adventure and Marineland Right Whale Project

Some of our members have affiliations with Marineland, which has recently become a nonprofit organization. The **Marineland Dolphin Adventure**, which has been around for about 80 years, is a historic landmark that has evolved from an underwater film studio into a modern facility focused on conservation and guest experiences. The **Marineland Right Whale Project** is committed to the protection of endangered North Atlantic Right Whale. For information about volunteering with either, please visit:

Flagler Turtle Patrol/Adopt a Turtle Nest Program

Flagler Turtle Patrol is a local nonprofit organization supported by dedicated volunteers and committed to safeguarding and preserving Florida's nesting turtles. Our Club annually adopts a turtle nest, and we are invited to be on hand when the baby turtles are about to hatch. We will alert the Club when that will happen. Nesting season is May 1 to October 1. To inquire about volunteering with the Flagler Turtle Patrol, please visit: <http://www.flaglerturtlepatrol.com>

Flagler Humane Society

The Club has long been a supporter of the non-profit **Flagler Humane Society**. We collect nonperishable food and other pet related items every other month at our Monthly Phlockings. For those who want to do more, the Flagler Humane Society has many volunteer opportunities which include dog walking and fostering among other possibilities. Volunteers are welcome to apply to be a volunteer. The FHS will be holding a New Volunteer Orientation on **Sunday, April 12, 2026**. For more information, please see the link below as reservations must be made in advance of any volunteering. If you decide to volunteer, please let us know as we will include those volunteer hours in our Party with a Purpose reports we must submit! (and wear your shirt!)

<https://flaglerhumanesociety.org/volunteer/>

Grace Community Food Pantry

The Club has long been a supporter of the **Grace Community Food Pantry**, a faith-based organization with support from various local churches, alongside government agencies, community groups, local businesses and individual contributors. Our Club collects nonperishable food items every other month at our Phlockings and delivers these goods to the Pantry. Grace Community Food Pantry has various volunteer opportunities including weekly food distribution, stocking inventory, as well as other options, and always welcomes volunteers to help.

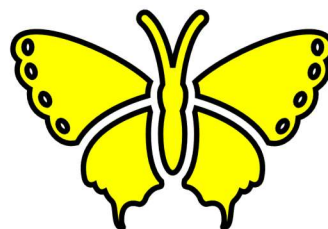

Debbie Lashinsky (our Board Secretary) volunteers at Grace Community Food Pantry regularly and can assist anyone in our club who wants to volunteer. You can contact her at dglashinsky@gmail.com for more information. If you decide to volunteer, please wear your Club Shirt, if possible, and let us know so we can include your volunteer hours for our Party with a Purpose Report. www.gracecommunityfoodpantry.org
